Athelstone Preschool - Department for Education

I go to Athelstone Preschool.

When I get to Preschool, I put my bag in my locker.

I put my lunchbox on the shelf, and I place my morning and afternoon fruit snack in boxes.

I keep my hat and drink bottle in my bag.

I have a go at writing my name and using my name tag if I need help to label my work.

Now it’s time to say goodbye to my grown-up who has brought me to Preschool.

I can keep going with my activity, wave at the window, or go to a teacher if I need some help.

Next, I choose a morning activity to get started.

There are lots of fun activities to choose at Preschool, including:

Painting

Playdough

Learning new things and observing

Craft and creating

Toys

Books

There are also lots of fun outdoor play spaces that I will get to explore later in the day, including the sandpit, swings, slide, climbing frames and garden.

There are lots of friendly teachers, helpers and children at Preschool.

The teachers look after me, play with me, and help me learn.

At Preschool, we follow a daily routine so I will know what to expect:

Morning drop off

Indoor play

Morning group time

Morning Tea Time

Outdoor play

Group time

Lunch

Relaxation

Afternoon group time

Afternoon Tea time

Preschool is great because I get to learn, play, and make new friends.

I will have lots of fun at Preschool, and my family will be so excited to hear about my day!

We promise you every day your child will learn something.

Some days they will bring it home in their hands.

Some days they will bring it home in their heads.

Some days they will bring it home in their hearts.
